Lazy Day / **Safety Covers**

Lazy Day offers mesh safety covers by Coverstar. Mesh covers provide excellent shade protection and safety. As a bonus, mesh covers do not require a pump. Our mesh covers come with a 20 year manufacturer's warranty and one year quality of installation guarantee. Mesh covers are available in Blue, Green, Tan, and Grey. Ask your sales rep for sample swatches of these beautiful colors.

Installing a safety cover on your swimming pool is the responsible thing to do. According to the CDC, "Among children ages 1 to 4, most drownings occur in home swimming pools. Drowning is responsible for more deaths among children 1-4 than any other cause except congenital anomalies (birth defects)". Install a safety cover today!
